### SCHOOL YEAR 2021-2022

## WHY SUPER SATURDAY WRITING?

- Complete Writing Development from Beginner to Advanced
- New classes available every 6 weeks
- Narrative, Informative, Argumentative, Research, and Creative Writing
- CA Common Core State Standards-based
- Perfect Prep for the Whitney Writing Test
- Small Class-Sizes
- Fun and Challenging Environment

### KIDPOWER WRITING (KPW)

#### GRADES 3-5 ONLINE

#### SATURDAYS 9:00 AM-10:15 AM

Is your child struggling with writing? Lacking confidence in their writing? Our KidPower Writing (KPW) Classes will help your child develop and expand upon their writing skills, as well as spark a love of writing in them! They will learn writing conventions in exciting and challenging way, and receive many opportunities to practice and master the writing process. With the guidance of our Experienced Teacher and the benefit of Small Classes, they will receive the attention needed to improve their grammar, organization, creativity, and much more! These skills will help them "kidpower" through their writing journey in and beyond elementary school!

### WRITE-ON! WRITING (WOW)

#### GRADES 6-8 ONLINE

#### SATURDAYS 10:30 AM-11:45 AM

Want your teen to develop their skills in writing? The best way for students to find success in writing is by writing continuously! In Write-On! Writing (WOW), students will improve their composition skills in an exciting and challenging environment. They will cover important genres such as Informative, Argumentative, and Research that are critical in Middle and High Schools. Through many practice and revision opportunities, students will master the writing process and find the confidence to "write-on" throughout their Academic and Professional Careers!
