

CEC
SINCE 1991

STRIDE™

Want to prepare your child for **Common Core State Standards Tests**? CEC offers Stride as a fast, convenient, and affordable solution! Online and from the convenience of your home or anywhere you have a computer, Stride combines Adaptive Technology with Standards-Aligned, Virtual Curriculum and Interactive Video Games to deliver effective, targeted, and fun instruction.

Common Core Prep

24/7

Full Access Online
for less than

\$2 per Day!

Boost COMMON CORE State Standards (CCSS) scores in Math, English, and Science

Students Love Our Rewards System!

Incentivized testing encourages students to improve their scores and academic skill.

Individualized Learning and Accountability Reports

Personalized Data Reports are reviewed by Tutor and Parent to target specific areas of student improvement.

Anytime, Anywhere through CEC

Stride is typically provided through subscribing schools, but through your CEC membership, you get full access no matter what school your child attends.
